

# LAURELAI PAPERS

These patterns in bold, luscious color combinations, are exclusively made by and for Paper Connection.

Each sheet is 19x22 inches silkscreened on **recycled cotton**. The Laurelais are heavyweight, opaque papers, used for scrapbooking, collage, book and box covers. Images of Laurelai are shown zoomed out, except for LL-S3 and LL-W3.

The Laurelais are now sold in Eco-Squares, part of our line of eco-conscious craft packs.
