

FOLDED & DYED - CLOSEOUT STOCK

Itajime papers, which are made by folding a large, white mulberry (kōzo) sheet into a rectangle and dipping the corners into pigment vats or using a brush to apply color.

Itajime papers are sometimes referred to as *Sekkazome* when folded into star or flower pattern. All papers are 24 x 36 inches with four deckled edges.

(H -small rectangles and PSK -large rectangles).
