

# TEXTURED & FLECKED PAPERS

Paper Connection stocks a variety of versatile, white and natural, handmade and machine-made fine art papers from Asia. These specialty papers are used for conservation, printing, drawing, painting and other fine art work.

Paper Connection's **Textured & Flecked** Papers, made from mulberry (kōzo) and hemp fibers, can be painted or printed on. The fibrous and translucent papers are wonderful for lampshades or shoji screens.
